4	Primi riba:	Klik op:	Click on:	Versturen

The image displays two screenshots from the Magister application interface, illustrating the steps for reporting an absence.

Top Screenshot: Afwezigheid (Absence)

- The left sidebar shows navigation options: Vandaag, Agenda, Afwezigheid (1), Cijfers, LVS, ELO, and Leermiddelen.
- The main content area shows the 'Afwezigheid' page for '2223 HL1 (NW)'. It includes a calendar view for the months of August, September, October, November, and December.
- Below the calendar, there is a table of absence records with columns for date, subject, and status. Three records are shown for 'do 01-12' (Thursday, December 1st, 2023) for subjects 'mi-re (3X)', 'pap - CK - HL1pap6 (1)', and 'bio - CK - HL1bio1 (15)', all with a status of 'Bevestigd absent (BA)'. A red circle with the number '2' highlights the 'Meld afwezigheid' button in the top right corner.
- On the right, there is a 'Weergave' (View) panel with settings for 'Instellingen', 'Periode' (2223 HL1 (NW)), 'Weergave' (periodeoverzicht - lijstweergave), and 'Gebeurtenissen'.

Bottom Screenshot: Ziek melden (Report Sick)

- The left sidebar is the same as in the top screenshot.
- The main content area shows the 'Ziek melden' page. At the top, it says 'Ziek melden' and '2223 HL1 (NW)'. A red circle with the number '4' highlights the 'Versturen' button in the top right corner.
- Below the header, there is a 'Datum' (Date) dropdown menu set to '09-02-2023'.
- A large text area labeled 'Opmerking' (Remarks) is present, with a red circle and the number '3' highlighting it.
